

INTERNATIONAL FORUM FOR HEALTH TOURISM 11TH Edition

Date: **28th - 29th October 2019**

Place: **BUCHAREST**

Institutional partner: **Government of Romania - National Authority for Quality Management in Health.**

Program partners: **Romanian Medical Tourism Association, Patronal Organization of Spa Tourism in Romania, Transylvania Regional Spa Cluster, Association of Journalists and Writers of Tourism in Romania, Romanian Association of Balneology.**

The 11th edition is also dedicated to partnerships and links between medical institutions in Europe and those in Romania for institutional collaboration in the field of medical tourism and good practices. At the conference, B2B meetings will be organized between the medical services providers in Romania and those from abroad, as well as meetings with decision-makers of the national health and tourism authorities.

For international participants , the main topics will be:

- Institutional collaboration between medical service providers in Romania and those abroad
- New trends in medical tourism and state-of-the-art treatments.
- Demand for health tourism services. Potential market
- International patient safety. Safety measures in medical units
